Quarterly Report

October 1st – December 31st, 2019

General

Health challenges, travel and the holidays reduced the volunteer time available to get much done in the last quarter of 2019. Aside from basic housekeeping tasks, we did manage to:

- renew our efforts to seek partnerships and allies in the Not-For-Profit housing sector and
- keep the organization in the municipal conversation on Affordable Housing.

In 2020

In addition to the ongoing initiatives and organizational requirements, we expect to:

- start having informal social events throughout the year so we can keep in touch, get to know one another better and enjoy an evening or afternoon out. Elaine S. will be organizing these events and will contact you via our social.babayagaplace@gmail.com email address;
- plan and hold our second AGM in May (a save-the-date email will be sent out before the end of March);
- deploy more strategically the abilities of our available members; and
- pursue more vigorously the formation of Caring Circles.

A Couple of Words from Beth (our president)

In these Quarterly Reports we try to give you, our fellow members, some sense of the work we are doing on behalf of our community. We wish we could be more expansive and more personal but that would take more time and energy. It's essential that we keep our eyes on the prize and put most of our effort into the front-line work. We can always use extra hands and heads so if you have more time available or newly-acquired skills, please do get in touch with us via info.babayagaplace@gmail.com and we can talk about how you might get more involved.
